- Expansion of Department staff strength from 12 in 2014 to 19 in 2020.
- Expansion of Department administrative staff strength from 2 in 2014 to 5 in 2020.
- In all, I managed 19 full-time academic staff and 5 administrative staff in 3 academic programmes that serve about 550 students in any given year.
- The 2 UGC programmes – 1) BA (Hon.) in Humanities (HUM) and 2) BA (Hon.) in Creative & Professional Writing (CPW) – constitute the largest undergraduate humanities studies program in Hong Kong.
- CPW remains the first and only such programme in the territory.
- I have transformed the culture of the department into one that is more adaptive, agile, and forward-looking.
- Continuous success in recruiting international PhD students through the Hong Kong PhD Fellowship Scheme (HKPFS). Awardees to the Department during my period of Headship were from Austria, India, Poland, Switzerland, Canada, Beijing, Malaysia, The Netherlands, and Nigeria.

In addition:

- I have worked closely with senior management, particularly with Deans and VP (Research & Development) on strategic research directions related to arts and creativity.
- Served on the University Council's Finance Committee (2019-2021):

At Lingnan University as Department Head (3 years):

- Managed 12 full-time academic staff; 2 academic programmes; 4 administrative staff; serving about 280 students in any given year

In general: I believe in robust management through (1) enhancing internal communication ("horizontal before vertical"); (2) evidence-based management; (3) data-driven decision-making; (4) recruiting top talents; (5) improving efficiency and effectiveness of current structures and processes.
